1. To access your account, log into Erisa systems:

- a. In the address bar your Internet browser, type this URL: <https://erisafunds.com/>.

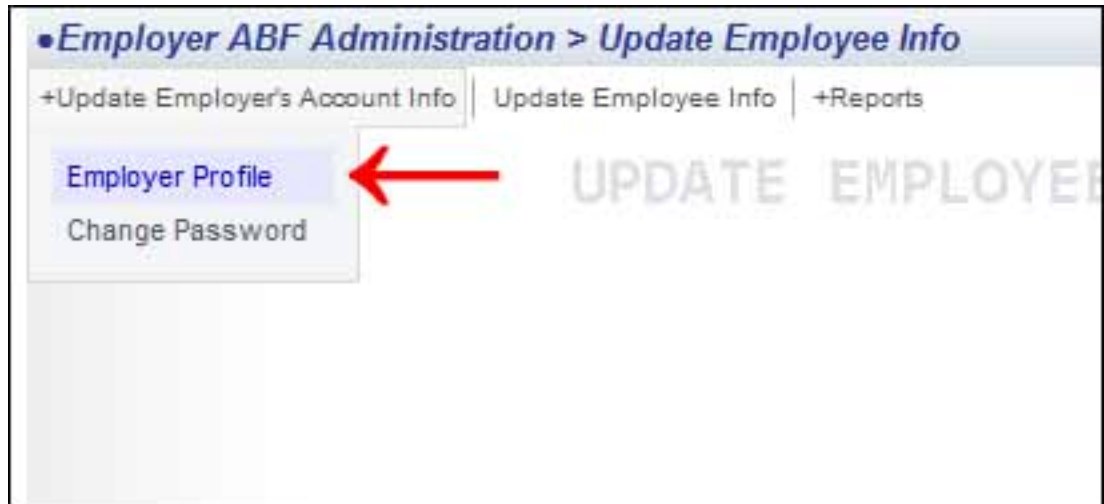

- b. Type in your **user name** and **password** in boxes and click “**Submit**” to log in. Click “forgot your password” if you forgot your password. A random password will be emailed to the email address on record for your account. Check your email and log back on using that password. You will be prompted to change your password to a desired one.
